BULK TRASH PICKUPS DURING MARCH

The Town crew will be doing an extra pickup separate from regular trash pickup during the month of March for any one-time, large items **not listed below**.

If your regular trash is picked up on Fridays, then that's the day to set out your extra pickup. If you are on the Monday route it will get picked up on Monday. We will run this extra pickup until the end of the March, or until the dumpster is full.

Also, please be mindful of the weight of your regular cans. The crew has a lifting limit of 40 pounds. If your can exceeds that weight when loaded, make sure that the garbage is bagged in smaller bundles so we can "lighten the load" easily. On average, we are lifting these cans 3-4 feet high when dumping them into the truck, which can be hard on the back at times if they exceed a certain weight.

Thank you!

WE CANNOT PICK UP THE FOLLOWING ITEMS:

- Hazardous waste
- Contaminated soil
- Refrigerators
- Freezers
- Icemakers
- Tires
- Large drums
- Medical waste
- Wet paint
- Asbestos
- Batteries
- Railroad ties
- Fluorescent light bulbs
- Tube televisions
